Equity Derivatives

Who Should Attend

Ideal participants are those new to the subject matter, or needing a full refresher. This course would also be perfect for people in projects and needing to step back and walk through the building blocks and overview of the markets products and processes.

Approach

Each topic will be expanded and explained to the delegates in a structured manner, developing their knowledge through diagrams, 'live' drawings and on-the-spot explanations. Active participation of the delegates will be encouraged, and exercises will be introduced at frequent and appropriate points.

Duration

In its 'off-the-shelf' form, this is a 1-day course. However, the course duration and content can be tailored to suit specific requirements.
